BENGAL
THE LEATHER SOURCING
CAPITAL OF THE WORLD

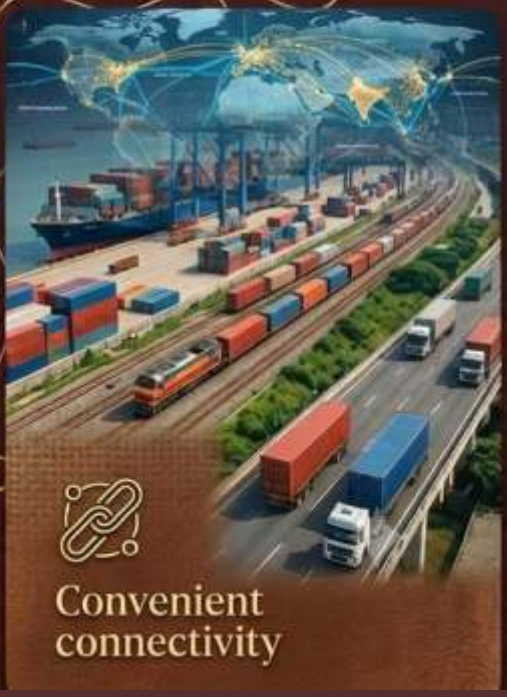

WHY BENGAL?

THE SOURCING ADVANTAGE

Sustainable Leather Sustainable Future

The AILPA Sourcing Fair 2025 will not simply be another trade exhibition – it will be a transformative platform redefining how the world views leather, craftsmanship, and sourcing. Set against the cultural richness of Kolkata and West Bengal, the fair will fuse heritage, innovation, and sustainability to create a holistic experience for exhibitors and visitors alike.

The Concept

- **Beyond Display, Towards Discovery**
  The event goes far beyond showcasing leather products. It curates a **journey of sustainable sourcing**, highlighting eco-conscious production, responsible supply chains, circular economy practices, and innovative materials. Exhibitors will not just present products – they will demonstrate **stories of transformation**, from traditional artisan skills to modern sustainable technologies.
- **Heritage Meets Innovation**
  Kolkata and West Bengal, long celebrated for world-class artistry, will be reintroduced to the global stage as a **responsible production hub**. Exhibitors will showcase how indigenous craft techniques blend with contemporary, sustainable design – creating products that are not only luxurious but also ethically and environmentally sound.
- **Sustainability as Core Identity**
  From biodegradable packaging to carbon-conscious logistics, the fair itself will embody sustainability. Each element – exhibitions, workshops, buyer–seller meets, cultural showcases – will highlight a **"green footprint."** The fair becomes a **living example of what**

the future of global trade events must look like.

Key Features

1. **Green Showcases:** Leather goods exporters presenting collections designed with eco-certified leather, reduced water tanning, and up cycled/recycled materials.
2. **Innovation Lab:** Demonstrations of sustainable production processes, digital supply-chain traceability, and circular design models.
3. **Heritage Spotlight:** Curated spaces showcasing Bengal's artisanal legacy – weaving, carving, handcrafting – positioned within a modern sustainability narrative.
4. **Knowledge Forum:** Conferences and panels on sustainable sourcing, global consumer shifts, ESG compliance, Trends and Fashion, and future proofing the leather industry with focus on development of Footwear in the Eaters Sector.
5. **Cultural Evenings:** Celebrating Kolkata's art, music, and cuisine, reinforcing the **human and cultural sustainability** of the region.
6. **Sourcing with a Conscience:** A buyer–seller meet where international visitors can connect with exporters on the basis of **shared values** of responsibility and authenticity.

Visual Theme

Color Palette:

- **Earth tones** (brown, tan, terracotta) → grounding in leather & craft.
- **Emerald green / deep teal** → sustainability, renewal.
- **Gold accents** → heritage, artistry, luxury.

· **Symbolic Motifs:**

- **Circular weave or infinity loop** → circular economy + timeless heritage.
- **Handcrafted texture (stitch, weave, emboss)** → authenticity and artisanal touch.
- **Tree / leaf blending into leather texture** → sustainability + nature–craft harmony.
- **River curves** (inspired by the Hooghly/Ganges) → Kolkata's identity, flow of trade and culture.

Event Experience Aesthetic

· **Exhibition spaces** styled with bamboo, jute, and up cycled design elements → eco-conscious atmosphere.

· **Cultural cues** like terracotta patterns, kantha embroidery motifs, and Bengal handcraft textures integrated into branding.

· **Digital visuals** (website, invitations, stage backdrops) showcasing a **fusion of artisan hands + natural elements + product silhouettes**.

The Big Picture

The AILPA Sourcing Fair 2025 is not just a platform for business; it is a **movement** to reshape perceptions of leather and trade fairs globally. It inspires exhibitors to align with sustainability, empowers buyers to source responsibly, and positions Kolkata as a **beacon of sustainable artistry**.

This is **Carpe Diem for the industry** – a chance to act now, think bigger, and embrace a new future where tradition and sustainability walk hand in hand.

ILPA FASHION SHOW 2026 PRELUDE SETS THE STAGE FOR A LANDMARK SOURCING SHOWCASE

The Indian Footwear, Leather and Leather Accessories Industry can be the world leaders there is work to do

The Indian Leather Products Association (ILPA) marked an important milestone with the successful hosting of the Prelude to AILPA 2.0 " All India Leather Products & Allied Sourcing Fair 2026, held on 22 August 2026 at the Hyatt Regency, Kolkata. Bringing together key stakeholders from across the leather and allied industries, the Prelude offered a glimpse into what promises to be one of the most significant sourcing and networking platforms for the sector this year.

The event witnessed the presence of leading industry members, exhibitors, sponsors, trade representatives and distinguished guests, including Mr. Maxim Kozlov, Consul General of the Russian Federation in Kolkata, adding an international dimension to the proceedings and underscoring the growing relevance of Indian leather products in global markets.

A key highlight of the Prelude was the announcement of the extensive buyer participation expected at AILPA 2.0, with 100+ international buyers and 50+ domestic buyers slated to attend the fair. The event is also expected to bring together 100+ leading leather goods exporters, alongside established players and emerging businesses from a diverse range of allied sectors.

A STRONGER PLATFORM FOR GLOBAL SOURCING

With its expanded scale and wider industry participation, AILPA 2.0 aims to strengthen Kolkata and India—s position on the global sourcing map. The fair is designed to provide an integrated business environment where international and domestic buyers can engage directly with Indian manufacturers, exporters and suppliers across categories.

From leather goods and finished leather products to allied sectors, the exhibition will offer buyers an opportunity to discover new suppliers, evaluate product capabilities, understand emerging trends and build long-term business relationships.

Beyond product sourcing, AILPA 2.0 is expected to serve as a platform for knowledge exchange, networking and business development, connecting the Indian manufacturing ecosystem with an increasingly global buyer community.

FASHION MEETS THE LEATHER INDUSTRY

Adding another dimension to the event, the ILPA Fashion Show 2026 will complement the sourcing-focused exhibition with a showcase of design, craftsmanship and contemporary fashion. The fashion presentation is expected to highlight the versatility of leather and leather products while bringing together creativity, commercial relevance and the evolving aesthetic of the industry.

The Prelude therefore marks more than

कार्यक्रम चार लेदर एक्सपोर्टर्स (कोएर्ड) के वाइस चेयरमैन मुख्तसल अमीन ने कहा कि यह आयोजन केवल प्रदर्शनी नहीं, बल्कि भारतीय निर्यातकों और विदेशी खरीदारों के बीच मजबूत कारोबारी रिश्ते बनाने का प्लेटफार्म है। इससे चमड़ा उत्पादों को नए वैश्विक बाजारों तक पहुंचने में मदद मिलेगी। मेले के चेयरमैन अमर सहानी ने कहा कि दोनों शहर प्रतिस्पर्धी नहीं, बल्कि एक-दूसरे के पूरक हैं। कानपुर के पास उत्पादन की विशेषज्ञता है, जबकि कोलकाता रणनीतिक केंद्र होने से बेहतर कनेक्टिविटी उपलब्ध कराता है। आइएलपीए के अध्यक्ष मो. अजहर और पूर्व अध्यक्ष जगदीश गुप्ताटी ने बताया कि मेले में 80 से अधिक अंतरराष्ट्रीय व घरेलू खरीदार और 100 से अधिक निर्यातक हिस्सा लेंगे।

कार्यक्रम चार लेदर एक्सपोर्टर्स के उपाध्यक्ष मुख्तसल अमीन ने कहा कि एआईएलपीए 2.0 निर्माताओं को खरीदारों और कारोबारियों को नए खजाने से जोड़ेगा। यह भारतीय लेदर उद्योग को वैश्विक सोर्सिंग का आसरा देगा। उन्होंने कानपुर और कोलकाता को संयुक्त खरीदारों से नए कारोबारी अवसर तैयार करने की बात कही।

फेयर के अध्यक्ष अमर सहानी ने कहा कि कानपुर की टैनरियों चमड़ा, तैयार कारोबार की पहचान और कोलकाता की कनेक्टिविटी का लाभ आयोजन को मिलेगा। प्रेसीडेंट मो. अजहर ने कहा कि रोड शो का उद्देश्य केवल प्रचार नहीं, बल्कि उद्योग में सहयोग और साझेदारी के नए रास्ते खोलना है।

पूर्व प्रेसीडेंट जगदीश गुप्ताटी ने बताया कि फेयर में 80 से अधिक अंतरराष्ट्रीय व घरेलू खरीदार शामिल होंगे। इसमें 100 से ज्यादा मैन्युफैक्चरर्स व एक्सपोर्टर्स के आने की उम्मीद है। फेयर में लेदर गुड्स, वेयर, फैशन और फिनिश्ड लेदर प्रदर्शित किए जाएंगे। इसके साथ ही कारीगरी, केमिकल्स और अन्य संबद्ध उत्पाद भी डिस्प्ले जाएंगे।

एआईएलपीए 2.0 से चमड़ा उद्योग को मिलेगी नयी गति

शहर में आयोजित हुआ ऑल इंडिया लेदर प्रोडक्ट्स एंड एलाइड सोर्सिंग फेयर का रोड शो

कानपुर, 25 सितम्बर। कोलकाता के विश्व बांग्ला एग्जीबिशन सेंटर में 28 से 30 अक्टूबर तक आयोजित होने वाले ऑल इंडिया लेदर प्रोडक्ट्स एंड एलाइड सोर्सिंग फेयर (एआईएलपीए 2.0) के रोड शो की शुरुआत शुक्रवार से हो गयी। अपने पहले संस्करण की मजबूत नींव पर आगे बढ़ते हुए एआईएलपीए 2.0 भारतीय लेदर और इससे जुड़े उद्योगों के लिये एक बड़े और प्रभावी कारोबारी मंच के रूप में तैयार किया जा रहा है। कार्यक्रम चार लेदर एक्सपोर्ट के वाइस चेयरमैन मुख्तसल अमीन ने कहा कि एआईएलपीए 2.0 एक और ट्रेड फेयर नहीं है। ऐसे कारोबारी रिश्ते बनाने का अवसर है जो एग्जीबिशन फ्लोर से कहीं आगे तक जाते हैं। यह मैन्युफैक्चरर्स को खरीदारों से कारोबार को नये बाजारों से और भारत की लेदर इंडस्ट्री की विरासत को ग्लोबल सोर्सिंग के भविष्य से जोड़ने का मंच है। उन्होंने कहा कि कानपुर

प्रोग्राम में भाग लेने लेदर इंडस्ट्रीज से जुड़े उद्योगपति आदि।

और कोलकाता मिलकर एआईएलपीए 2.0 को सफल बनाने तथा भारतीय लेदर इंडस्ट्री को आगे बढ़ाने के लिये साथ आ रहे हैं। एआईएलपीए 2.0 के चेयरमैन अमर सहानी ने कहा कि कानपुर और कोलकाता इस फेयर के लिये साथ आये हैं। यह सहयोग इस क्षेत्र पर आधारित है कि जब भारतीय लेदर इंडस्ट्री के दो प्रमुख केंद्र एक साथ आते हैं तो इससे पूरे उद्योग को नयी गति मिलती है। एआईएलपीए 2.0 के प्रेसीडेंट मो. अजहर ने कहा कि प्रमुख लेदर मैन्युफैक्चरिंग सेंटरों में शामिल कानपुर ने देश की लेदर इंडस्ट्री को आकार देने में महत्वपूर्ण भूमिका निभायी है। एआईएलपीए 2.0 के पूर्व प्रेसीडेंट जगदीश गुप्ताटी ने कहा कि इस फेयर में 80 से अधिक अंतरराष्ट्रीय और घरेलू खरीदारों तथा 100 से अधिक मैन्युफैक्चरर्स और एक्सपोर्टर्स शामिल होने की उम्मीद है।
